

Books and Booklets INTRODUCTION

We are particularly well equipped to produce Books and Booklets and this is reflected in the exceptionally competitive prices we charge.

The easy to use tables on pages 61 - 64 allow virtually any permutation of size, quantity, material and printing to be priced quickly.

Material Choices

The material you would like to use for the inside pages of your Book or Booklet determines which table you should look at. For 100gm Executive paper

Please Note: Not all stitched Booklets are finished our way. Many are collated before folding and stitching. It's easier but results in a 'springy' Booklet.

or 100gm equest® paper inners please refer to page 62. For 115gm or 150gm Gloss or Silk Art please refer to page 63. For 160gm equest® or 200gm Gloss or Silk please refer to page 64.

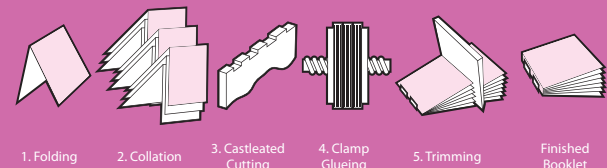

In each case you can specify that your cover is to be printed on the same material as the inners, or choose covers printed on 200gm or 280gm Gloss or Silk (any of which can be laminated) or 300gm equest® Card (which is an uncoated material not suitable for lamination).

Binding Options: Wire Stitching (stapling)

This is ideal for Booklets with a smaller number of pages. We fold our sections prior to assembly resulting in Booklets which sit flat and look professional. For a small premium we can loop stitch Booklets. This gives the staples an eye so the booklet will fit in to a ring binder.

Perfect Binding (this catalogue is perfect bound)

For larger Books perfect binding is the most suitable option. Each of our price tables gives a recommended minimum number of pages required for perfect binding.

Orientation

All our prices are for Portrait (bound on the long edge) or Landscape (bound on the short edge) Books.

Non Standard Sizes

If you require a Non Standard size Booklet, e.g. a CD size (120mm square), simply price as the next standard size, in this case A5 (148mm x 210mm). We make no extra charge for trimming to a bespoke size.

Turnaround

The turnaround times shown are for up to 10,000 Wire Stitched Booklets and up to 1,250 Perfect Bound or Loop Stitched Booklets. For larger quantities please confirm turnaround at the time of ordering.
