

Card Badges

Card Badges are made from 1.25mm faced card. The card can be specified in a wide range of colours, see the page opposite. It is also possible to have the Badges printed in Full Colour.

Badges are Die-Cut to the required shape. We have a large number of standard Formes available (as shown) or it is possible to Design Your Own. If a special design is required it must fit within a 65mm x 75mm rectangle.

There is a 'one-off' Forme cost of **£75.00 + VAT** for custom shapes. **Please note:** Very complex shapes may require a more expensive Forme.

Hot Foiling

All Badges can have foil applied to one or both sides using a hot foiling process. The foils available are: Metallic Gold, Metallic Silver, Flat Black, Holographic Silver and Flat White.

In addition a unique security foil can be specified for applications where the Badges have a high face value. Hot Foiling prices include the origination of the masters required for foiling.

Please note: Only solids can be reproduced in Hot Foil. Half-tone tints are not successful.

Numbering

Badges can be sequentially numbered. Numbered Badges are supplied packed in number order.

Stringing

Badges can be strung with Red, Blue, White, Yellow or Black string.

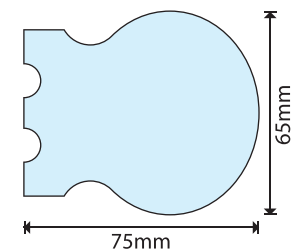

Please contact us if you would like to discuss your specific Badge requirements.
