

Full Colour and Spot Colour Folders INTRODUCTION

Our Folders are made from either 280gm Gloss or Silk Art or 400gm Matt Art Card. They can be printed single or double sided in either Spot Colour or Full Colour.

Standard Folders can be specified for either A4 or A5 size inserts. We also have a 'Design Your Own Folder' section where any other folder can be priced.

Gussets

All Folder designs can be specified as Gusseted or Ungusseted. Ungusseted Folders are perfect for holding the equivalent of up to ten sheets of 80gm paper. A 2mm Gusseted Folder can hold the equivalent of twenty sheets of 80gm paper and a 4mm Gusseted Folder the equivalent of forty sheets.

Lamination

Folders can be laminated with Gloss or Matt laminate on one or both sides. We are also able to Spot UV Varnish (at extra cost) please ask for details.

Please note: If colour extends across the fold (on either side) we strongly recommend lamination to minimise the risk of cracking on the fold. Also assembled Folders are very bulky. If you require assembled Folders to be delivered we may have to revise our carriage cost to reflect the volume rather than the weight.

Spot Colour on Folders

The price of printing Spot Colour on some Folders can seem disproportionate to the cost of Full Colour. The reason for this is that we must set up the press specifically for Spot Colour rather than utilising the Full Colour inks in more regular use.

Assembly

Folders are supplied flat with interlocking pockets or with double sided tape applied for easy assembly at time of use. Alternatively they can be supplied fully assembled if preferred for an additional price, additional turnaround time and additional carriage cost.

Business Card Slots

All A4 Folders can be supplied with slots to hold a Business Card on either the vertical or horizontal flaps at an extra charge of £25.00 + VAT. If this option is required, please specify the card position at the time of ordering (bottom flap or side flap).

Design Your Own Folder

You may use our Three Panel tables to price any other Bespoke Folder. We can also pattern an existing Folder design. Please see page 46 for details.
