

# Spot Colour and Full Colour Labels INTRODUCTION

Our Labels are litho printed for exceptional quality and durability. They are designed to perform well in a wide variety of applications.

## Material

Our Labels are self-adhesive and have a white semi-gloss finish. They are permanent (i.e. non removable once applied). The Label backing is split diagonally which makes it easy to peel the Label from the backing no matter what the Label size is.

Please Note: Our Label material is not waterproof and should not be used in damp conditions or in fridges. Our minimum size Label is 40mm in either direction. We would always recommend a small quantity run initially to confirm their suitability for a particular application.

## Sizes

Prices are provided on pages 66 and 67 for popular Label sizes. If your required size is not listed simply price as the next Label size up. There is no additional charge for cutting out your custom size rectangular,

one-up, Label. Please specify the size you require at the time of ordering.

CD/DVD Labels, printed on the same semi gloss material as our standard Labels, are available. There is a specific price table for this type of Label.

## Finishing

All sizes of Label can be round cornered if required. The cutters available are for either a 3mm or a 10mm radius corner. The extra cost for round cornering is shown on page 106.

## Special Shaped Labels

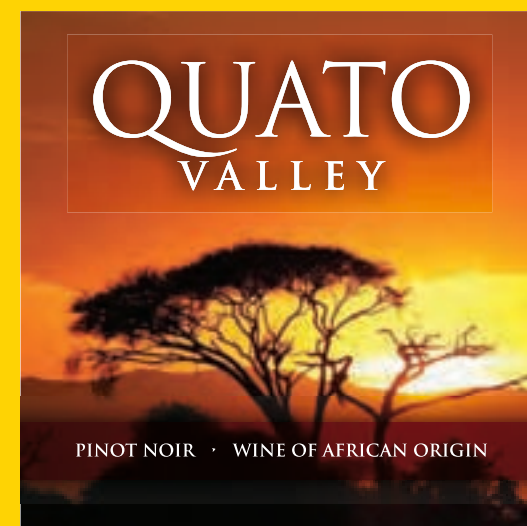

We are now able to Die-Cut or Kiss-Cut shapes out of A6, A5, A4 or 250mm square Labels. Kiss-Cutting means that the Label material is cut but the backing sheet is not. It means that the cut Labels are retained on the backing.

The one-off cost of a Die-Cutting Forme starts at just **£60.00 + VAT**. This cost is incurred only once. On subsequent runs we can use the same Forme again. As many Shaped Labels as will fit can be cut out of a sheet. Please submit your design for us to price the Forme required.

The cost of Die-Cutting is calculated from a setup charge and then a run on cost per 1000.

Setup charge **£45.00 + VAT**.

Running cost **£30.00 +VAT per 1000**.

Terms are payment with order.

## Further Information

### Turnaround

Times quoted are from receipt of full payment and complete, print ready, PDF artwork. Designs with heavy ink coverage may take longer to dry and we reserve the right to extend turnarounds in such cases.

### Artwork

Important artwork preparation information can be found on pages 101 - 105.

### Special Print Option

Hexachrome and Metal FX printing is available at a premium over Full Colour Printing with additional turnaround. Please see page 105 for details and examples.

### Bespoke Sizes

If the particular size you require is not listed then we can produce Bespoke Sizes. Simply price the next size up. For example, a 279mm x 198mm video sleeve will be priced as an A4 (297mm x 210mm). Please specify your required size at the time of order and we will trim free of charge.

### Carriage (Applicable on delivered items only)

Please calculate the carriage costs by adding together the green carriage codes for each product ordered. When you have the sum total please refer to the carriage table on page 106 to obtain the carriage cost. Full carriage details can be found on page 107. Alternatively please confirm the cost at the time of ordering.
